The Smith Family added their Free Hostess KLING to their Foyer. It looks fabulous! Personalize your Welcome KLING at no cost and add personalization to your home... just for partying with K&K Designs!

What's in it for the Hostess?

K&K Designs Hostess Program

We treat our Hostesses like Gold! When a Hostess books her party weeks before their party starts, they are able to pick 1 of these 6 KLINGS for FREE. (And no cost to our Konsultants.) It's a thank you for hosting a K&K Designs Party. Once all of the guests arrive, the KLING also doubles as your aid to showcase how simple it is to hang. It's a true Win-Win!

There's even more. Hostesses are incentivised to invite their whole address book, because they will also get 10% worth of their party's sales in even more free products.

If their wishlist is huge and their 10% in party sales doesn't get them everything they wanted for FREE the remainder is heavily discounted (see chart at below left).

We even have monthly incentives once again enticing more Hostesses to book. We often offer popular personalized KLINGS and Gifts for free as long as the party sales meet low minimums.

It's no wonder our Konsultants are so successful at booking parties!
